Let's look back:

Takeaways from the past two years

What do we expect of trade shows? Roles and functions

Virtual Reality, Metaverse, and then? Expectations and limits of digitalisation

Do we need change?
Requirements of the industry

How will the future look? Visions and expectations

Open discussion: Q&A

A close-up view of a fireplace. The fire is burning brightly in the center, with several logs and glowing embers. The fireplace is built with dark, rough-hewn stones. The text "Thank You!" is overlaid in white, bold font across the middle of the image.

Thank You!
